All fees must be paid before league play begins. In addition to regular league fees, bowlers must pay \$3.00 per entry, ALL DIVISIONS. In order for bowlers in leagues that bowl only two games per session to have two qualifying opportunities, bowlers may use the last game from the session prior to the qualifying period and the first game from the session following the qualifying period. A bowler may enter as many times as his/her league meets (and entry fees are paid) during the qualifying period. A regular league substitute is allowed to enter providing they meet the eligibility requirements. All qualifying at the bowling center level must be held during regular league play (no pre/post bowling). All bowlers must indicate the division in which they will compete prior to bowling at the center level. Bowlers advance to the regional level only once, based on the highest score bowled. Scores for the entire two-week qualifying period shall be compared with others in the same division from participating leagues in the center to determine advancement to Regional Finals.

**Advancement to Regional Finals** - bowlers from all **SIX DIVISIONS** who pay the required fees will advance to the regional finals based on a ratio of one for every three entries IN A DIVISION (not an individual league!). **The fee to advance to the Regional Finals is \$20.00 per bowler.** There is no further bowling cost.
